Description

It is a pleasure to offer this wonderful 1835 First Edition of Elements of Surveying by Charles Davies that comes from an estate where it has been since that time and is part of a larger collection of Surveying items we are in the process of listings on Ebay (Please view our other listings). The following is pertinent information:

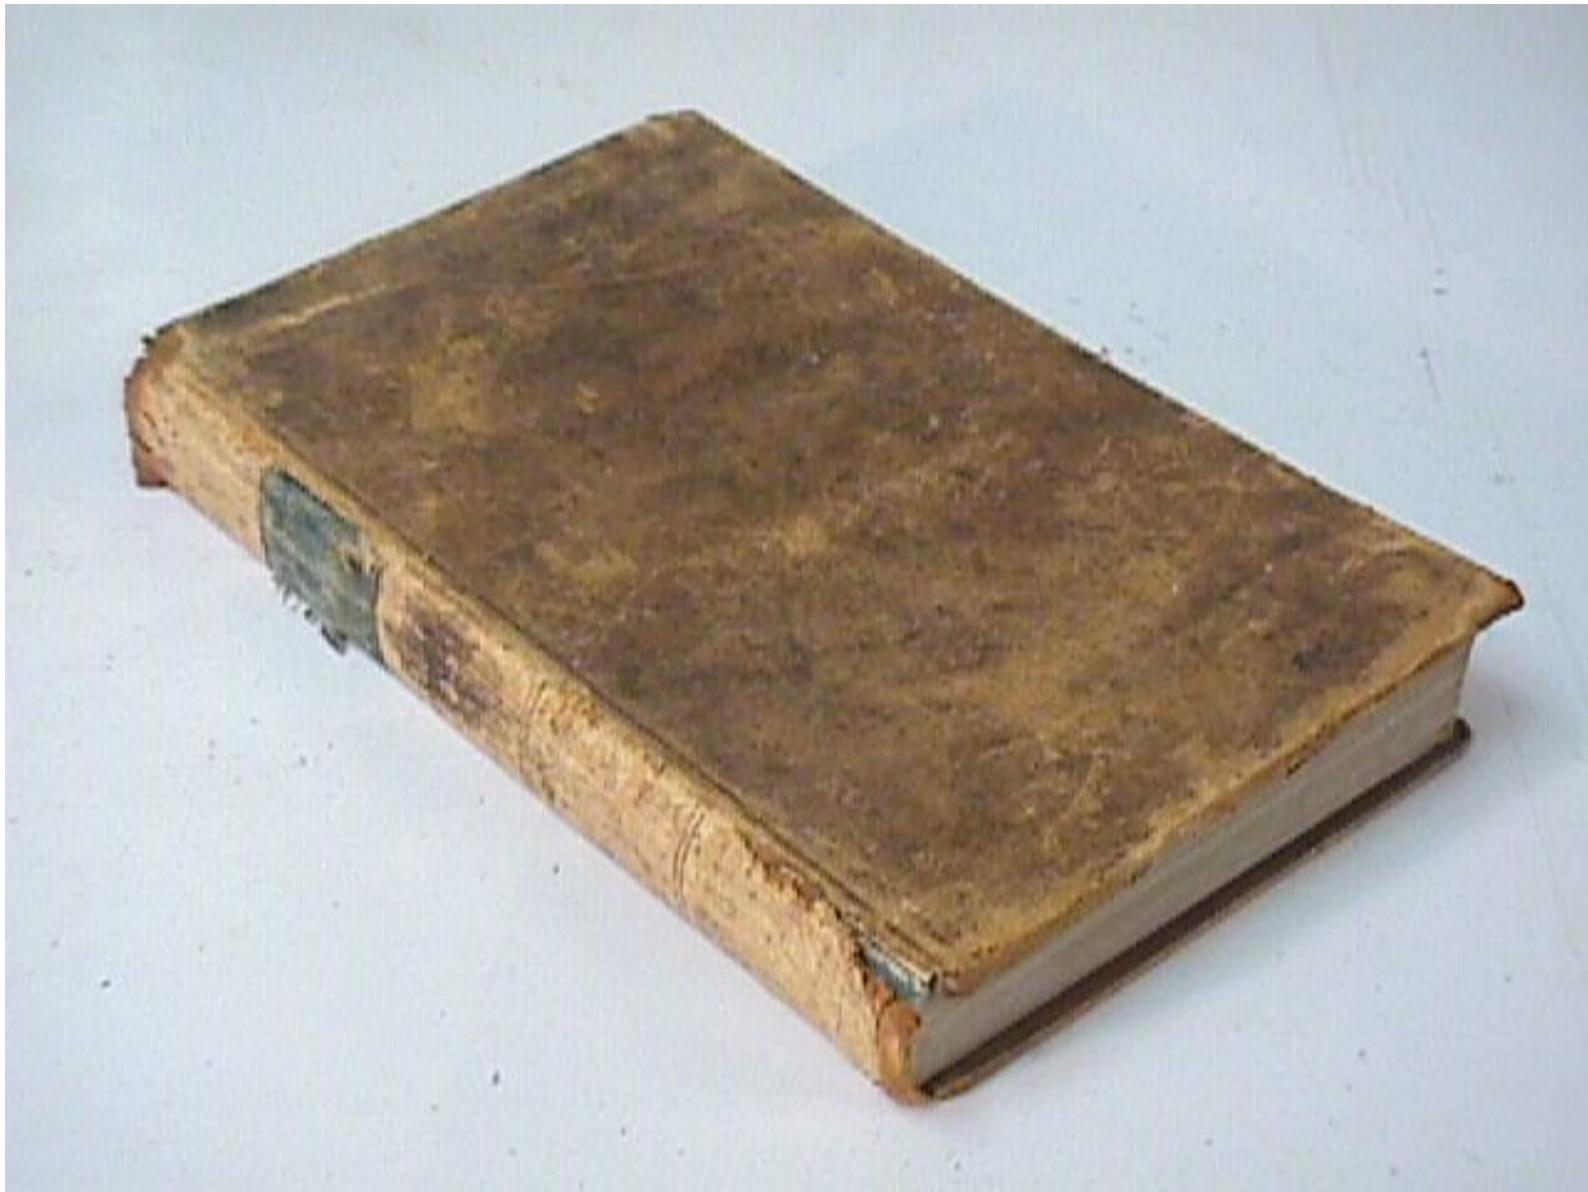

Davies, Charles: Elements of Surveying: including a description of the instruments and the necessary tables; Wiley & Long, publishers; 1835; New York; First Edition; Octavo, leather covers titled in gilt on spine; 158 pp. + 90 pages of Logarithms of Numbers Tables; Includes 4 detailed fold outs of surveying instruments.

The Book is in Good Condition with shelf wear and rubbing to the head and foot of the spine, corners, and edges from normal usage and prolonged storage. Some chipping to the head and foot of the spine; faded spine; some minor spotting to the interior; scratching to the covers; diagram on cover page in pencil by the previous owner. Overall a wonderful specimen of Earlier Surveying Books.

Please see the pictures. Buyer pays for shipping. 10 days money back guarantee. New York State residents please add 8% sales tax. Please let us know if you have any questions.
